## What is being proposed through the applications?

The County has received a plan of subdivision application, known as 24 Alfred Street Development (County file number 42T-2022-01) to create blocks of land for seventeen (17) residential dwellings of which, eight (8) are semi-detached residential units and nine (9) are

single detached units. The proposed lots will be located along a condominium road. The subject lands are designated as 'Primary Settlement Area' in the County Official Plan. The Primary Settlement Area designation permits new residential development.

A zoning by-law amendment application has also been submitted to the Town of The Blue Mountains for this proposed development. The purpose of the zoning by-law amendment application is to implement the plan of subdivision by rezoning a portion of the lands to Residential Density One Exception (R1-1-XX) Zone to permit a reduced lot frontage on one lot facing Alice Street West. To rezone a portion of the lands to Open Space Zone abutting Alice Street and Alfred Street. To rezone a portion of the lands to Residential Density two (R2) to permit semi-detached dwelling units, and to maintain a portion of the lands as Residential Density One (R1-1) Zone which permits single detached dwellings.

### **What can I expect at the future Public Meeting?**

The public meeting is an opportunity for members of the public to learn more about the proposed development. Attendees have the opportunity to hear a brief presentation about the development, ask questions, and/or make statements either in favour of, or in opposition to the development.

The public meeting will take place at a Council meeting and the moderator will keep the meeting in order and allow the applicant (and their development team), the public, and members of Council to speak and ask questions. Due to current conditions this public meeting may be a virtual public meeting, via an online Council meeting, or an in-person public meeting. No decisions are made at this meeting, it is simply an opportunity to learn and provide feedback.

### **Why is this future Public Meeting being held and what are your rights?**

Within Ontario the planning and development process is an open and transparent process, where opinions from all individuals and groups are welcomed. By law municipalities must hold a public meeting, and this meeting is just one of your chances to learn about the development proposal and offer your opinions. Under the legislation governing this development process, which is sections 34 and 51 of the *Planning Act*, you have the following rights:

1. Any persons may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed zoning by-law amendment or plan of subdivision.
2. If a *person* or public body would otherwise have an ability to appeal the decisions of the Town of The Blue Mountains or the County of Grey to the Ontario Land Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to Town of The Blue Mountains before the zoning by-law amendment is approved or refused, or to the County of Grey before the plan of subdivision is approved or refused, the person or public body is not entitled to appeal the decisions.
3. If a *person* or public body does not make oral submissions at a public meeting or make written submissions to the Town of The Blue Mountains before the zoning by-law amendment is approved or refused, or to the County of Grey before the plan of subdivision is approved or refused, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
4. If you wish to be notified of the decision by the Town of The Blue Mountains in respect to the approval or refusal of the zoning by-law amendment, or the County of Grey in respect to the approval or refusal of the plan of subdivision, you must make a written request to the Town or the County, at the addresses noted on the previous page. Please note application P3146 for the zoning by-law amendment when directing comments to the Town and plan of subdivision application 42T-2022-01 when directing comments to the County.
5. If you have any questions please do not hesitate to contact County or Town staff, who would be happy to answer any questions on the matter.
