OUTDOOR VISIT REMINDERS

PROTECT YOURSELF AND THOSE AROUND YOU

As of August 6, 2021 - No sector specific limitations on number of caregivers and visitors for outdoor visiting.

Visitors must wear face mask/coverings during the visit.

Partially immunized or non-immunized persons are required to maintain the recommended 6 feet/2 metres apart.

Pets are allowed but we ask they remain on a leash

Please leave any items for your family member at the Screener desk

THANK YOU FOR YOUR COOPERATION

Please NOTE: Failure to follow these guidelines may result in future visiting restrictions
