

# INDOOR VISIT REMINDEERS

PROTECT YOURSELF AND THOSE AROUND YOU

**As of August 6, 2021- No sector specific limitations on number of caregivers and visitors. All persons must be actively screened upon arrival and wear mask provided by the home at all times.**

**Fully Immunized** persons must provide proof of immunization may visit in resident's room as long as visitor capacity does not exceed the ability to maintain 2m physical distancing from other visitors/residents.

**Partially immunized or non-immunized** persons must undergo rapid antigen testing and are required to visit at indoor station and must be booked using the on-line booking tool.

**Partially immunized or non-immunized persons are required to maintain the recommended 6 feet/2 metres apart.**

**Please leave any items for your family member at the Screener desk**

**THANK YOU FOR YOUR COOPERATION**

*Please NOTE: Failure to follow these guidelines may result in future visiting restrictions*
