**RE: Review and Entry into the Ontario Public Register of Archaeological Reports: Archaeological Assessment Report Entitled, "345 & 355 BALMY BEACH ROAD, PART LOT 21 CONCESSION 3 GEOGRAPHIC SARAWAK TOWNSHIP, TOWNSHIP OF GEORGIAN BLUFFS, GREY COUNTY, ONTARIO ARCHAEOLOGICAL STAGE 1 AND 2: BACKGROUND STUDY AND ASSESSMENT", Dated Dec 4, 2019, Filed with MTCS Toronto Office on Dec 9, 2019, MTCS Project Information Form Number P115-0045-2019, P115-0049-2019, MTCS File Number 0010915**

Dear Mr. Molnar:

This office has reviewed the above-mentioned report, which has been submitted to this ministry as a condition of licensing in accordance with Part VI of the *Ontario Heritage Act*, R.S.O. 1990, c 0.18.<sup>1</sup> This review has been carried out in order to determine whether the licensed professional consultant archaeologist has met the terms and conditions of their licence, that the licensee assessed the property and documented archaeological resources using a process that accords with the 2011 *Standards and Guidelines for Consultant Archaeologists* set by the ministry, and that the archaeological fieldwork and report recommendations are consistent with the conservation, protection and preservation of the cultural heritage of Ontario.

The report documents the assessment/mitigation of the study area as depicted in Figure 3 and Figure 9 of the above titled report and recommends the following:

The Study Area has been adequately assessed. Those areas that have been identified on Figure 9 as having no archaeological potential do not require further archaeological work.

Those areas identified on Figure 9 as having archaeological potential have been subjected to Stage 2: Assessment following the Standards and Guidelines (MTC 2011) and nothing having CHVI was found. No further archaeological work is necessary.

Based on the information contained in the report, the ministry is satisfied that the fieldwork and reporting for the archaeological assessment are consistent with the ministry's 2011 *Standards and Guidelines for Consultant Archaeologists* and the terms and conditions for archaeological licences. This report has been entered into the Ontario Public Register of Archaeological Reports. Please note that the ministry makes no

representation or warranty as to the completeness, accuracy or quality of reports in the register.

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Heather Kerr  
Archaeology Review Officer
