What if I can't connect into the Public Meeting? You can learn more about the proposed development by contacting the County or Township offices, or by reading the materials on their websites at the below links. You may choose to submit comments via letter or email after taking the time to learn about the proposed development. See contact information below:

www.grey.ca/planning-development/planning-applications

Please note that currently both Grey County and Township of Chatsworth are closed to the public. Both offices are still receiving mail, and staff can be reached via phone or email.

What can I expect at the Public Meeting?

The public meeting is an opportunity for members of the public to learn more about the proposed development. Attendees have the opportunity to hear a brief presentation about the development, ask questions, and/or make statements either in favour of, or in opposition to the development.

The public meeting will take place via Zoom, an online platform, and the moderator will keep the meeting in order and allow the applicant (or their development team), the public, and Council to speak and ask questions. No decisions are made at this meeting, it is an opportunity to learn and provide feedback.

What is being proposed through the applications?

The lands are designated as 'Rural' and 'Hazard Lands' in the County Official Plan and zoned as Lake Residential (R3) and Environmental Protection (EP) in the Township of Chatsworth Zoning By-law. Further lot creation is not permitted under the County Official Plan, with reference to the lot density provisions under the rural land use type. An amendment to the County Plan is required to reestablish two parcels that inadvertently merged, with frontage along Connell Lake.

The Zoning By-law amendment would implement the Official Plan amendment and amend the Township's Zoning By-law by rezoning the Lake Residential (R3) zone to recognize the lot frontage, lot area and the location of the existing buildings and structures. If approved, parcels 200 Connell Lake Road and 212 Connell Lake Road will be viewed as separately, legally conveyable lots.

Why is this Public Meeting being held and what are your rights?

Within Ontario, the planning and development process is open and transparent, where opinions from all individuals and groups are welcomed. By law a municipality must hold a public meeting. This meeting is one of your chances to learn about the development proposal and offer your opinions. Under the legislation governing this development process, which is sections 22 and 34 of the *Planning Act*, you have the following rights:

1. Any persons may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Official Plan Amendment or Zoning By-law Amendment.
2. If a person or public body would otherwise have an ability to appeal the decisions of the County of Grey or the Township of Chatsworth to the Local Planning Appeal Tribunal but the person or public body does not make oral submissions at a public meeting, or make written submissions to the County of Grey before the proposed County Official Plan Amendment is adopted, or to the Township of Chatsworth before the Zoning By-law Amendment is adopted, the person or public body is not entitled to appeal the decision.
3. If a person or public body does not make oral submissions at a public meeting, or make written submissions to the County of Grey before the proposed County Official Plan Amendment is adopted, or to the Township of Chatsworth before the Zoning By-law Amendment is adopted, the person or public body may not be added as a party to the hearing of an appeal before the Local Planning Appeal Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to add the person or public body as a party.
4. If you wish to be notified of the decision of the County of Grey in respect to the passing of the County Official Plan Amendment, or to the Township of Chatsworth before the Zoning By-law Amendment is adopted, you must make a written request to the County and/or Township, at the addresses noted on the previous page. Please note **County Official Plan Amendment file number 42-04-360-OPA-07** or refer to **the Z11/2021 Zoning By-law Amendment for Chatsworth** in your correspondence.

If you have any questions please do not hesitate to contact County or Township staff, who would be happy to answer any questions on these applications, or the planning process.
