DECISION

With respect to the new Official Plan for the County of Grey Subsection 17(34) of the *Planning Act*

I hereby approve, as modified, all of the new Official Plan for the County of Grey as adopted by By-law No. 5032-18, as follows,

1. **Schedule A to By-law 5032-18**, is modified as follows:

In policy 3.4 19), delete the sentence "In cases where local municipalities do not have official plans and where employment lands are being reallocated, a zoning by-law amendment would initiate a comprehensive review."

2. **Schedule A to By-law 5032-18**, is modified as follows:

In policy 3.4.2 2) b), delete the phrase "not encouraged, and will only be considered as a last resort, where all other avoidance and mitigation measures have been exhausted" and replace it with the phrase "not permitted".

3. **Schedule A to By-law 5032-18**, is modified as follows:

In policy 3.4.3, delete the policy in its entirety and replace it with "Municipal restructuring is a process under the *Municipal Act* to alter municipal boundaries through annexation and amalgamation. Annexations alter municipal boundaries by moving jurisdiction for land from one municipality to another. Amalgamations are mergers of neighbouring municipalities. A local municipality may, subject to the requirements of the *Municipal Act*, make a restructuring proposal by submitting a restructuring report to the Minister of Municipal Affairs and Housing. Municipal restructuring may only occur through a Minister's order, at the Minister's discretion. Following a restructuring order from the Minister, a comprehensive review would be required to justify any proposed expansion of a settlement area, as per Section 3.4.2 of this Plan."

4. **Schedule A to By-law 5032-18**, is modified as follows:

In policy 4.5.1 2), add a new sixth bullet with the following wording: "The County shall, prior to approving planning applications or infrastructure projects impacting areas at or below the high-water mark of any body of water, require a marine archaeological assessment to be conducted by a licensed marine archaeologist, pursuant to the *Ontario Heritage Act*.
