

COVID-19 Update

We continue to encourage tenants to follow the messages from Public Health to stay home as much as possible and practice social distancing.

Common rooms remain closed until further notice.

Spring Clean-up

Spring is a great time to clean up your yard or balcony. It is also an ideal time to de-winterize your house inside and out. Below are some spring clean-up ideas:

- Wipe down baseboards
- Dust blinds and windows
- De-clutter any drawers/messy areas
- Vacuum/mop floors
- Dust ceiling fans
- Weed gardens
- Pickup any garbage outside
- Clean oven
- Get rid of any clutter or unused items
- Clean your balcony and keep it free of clutter and debris.

Community Garden Information

Community gardens provide a space for tenants to work together to create beautiful, productive spaces to grow vegetables. By getting involved in a community garden, people spend more time outdoors, interact more with neighbors, meet new friends and experience improvements in their mental and physical health.

It is important to remember to practice social distancing when working in the gardens and ensure frequent hand washing.

Scoop the Poop

In the spring we look forward to melting snow and seeing grass again. Often there is something else you see a lot of after snow melts...poop.

Please remember that cleaning up after your four-legged friend is a responsibility each owner needs to do. Not only is it the law, but it helps keep our yards clean.

Protecting Your Home

It is important that all tenants protect their home and ensure that the building is safe for everyone who lives in it. Here are some tips:

- Record details of unrecognized individuals in the building or suspicious activity
- Submit a maintenance request for any property or building concerns or hazards that you might see
- Keep keys safe and secure
- Before you let someone into the building, ensure you know them
- Be careful of anyone who asks to enter your home
- Always lock your doors

Flushing

Please remember to be mindful of what is being flushed down the toilet. Only flush human waste and toilet paper and avoid flushing the following:

- Disposable wipes, paper towels, facial tissues, diapers, cotton balls, feminine hygiene products or other items that could block the sewage pipes
- Grease from cooking should not be poured down the drain. Wipe small amounts with a paper towel and put it in the municipal garbage when cool. Large amounts of grease should be disposed of at the landfill site
- Food scraps should be disposed of in municipal garbage and not flushed

No Swimming Pools/Fire Pits/BBQ's

- Please note all residential backyard burning and campfires are prohibited as stated in your lease

- Swimming pools are also not permitted

- Personal BBQ's are not allowed

After Hour Emergencies

For all after hours emergencies, please call 519-376-5744 and press #1 to reach the after hours contact.

Contacting Staff

In an effort to maintain services and slow the spread of COVID-19 our office is working remotely at this time. Please call the main housing phone line at 519-376-5744 and if your call is not answered please leave one detailed message including your name and phone number and a staff member will respond within one business day.

Phone: 519-376-5744
 Fax: 519-376-0445
 Email: housing@grey.ca

If you have an emergency after hours such as no heat or beeping smoke detector or a flood please contact 519-376-5744 x1.
