

INDOOR VISIT REMINDERS

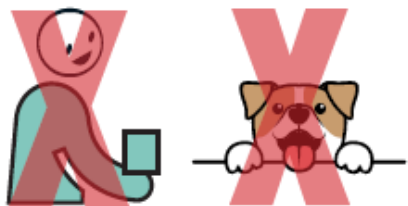

PROTECT YOURSELF AND THOSE AROUND YOU

As of July 22, 2020 Indoor Visits are limited to 2 persons once a week. Visitors must have received a negative COVID 19 test in the last two weeks, wear mask/face covering upon arrival and transition to a surgical mask (provided from the home)

In order to keep everyone safe, maintain the recommended 6 feet/2 metres apart.

No pets or outside drink or food is allowed

Please leave any items for your family member at the Screener desk

THANK YOU FOR YOUR COOPERATION

Please NOTE: Failure to follow these guidelines may result in future visiting restrictions
