What is being proposed through the applications?

The County has received a plan of subdivision application known as the Wilder Lake Subdivision (County file number 42T-2019-04) that proposes to create a total of 29 estate residential lots and one lot that would contain the existing golf buildings on the property. The site is to be accessed from Southgate Sideroad 26 and would follow the existing internal road to the golf clubhouse. Further internal roads are proposed to be constructed to provide access to the proposed lots. The subject lands are developed as the Homestead Golf Course and Winter Resort which currently contains a clubhouse, restaurant and rental accommodations (cottages) along the shore of Wilder Lake. The intent would be to maintain the golf course use in conjunction with the proposed residential development. The proposal is to service the lots with individual wells and septic systems in accordance with the Ontario Building Code requirements.

The effect of the zoning by-law amendment application (C1-20) is to rezone the subject lands from the Recreational Commercial (C5) zone with exceptions zone, Deferred Development (D) zone and Environmental Protection (EP) to the Residential Type 5 (R5) zone with exceptions, Environmental Protection (EP), Open Space (OS) zone for the proposed stormwater management blocks, and the Recreation Commercial (C5) zone. Three lots (Lots 5, 12, and 19) will require relief from the lot frontage requirements from the R5 zone.

What can I expect at the Public Meeting?

The public meeting is an opportunity for members of the public to learn more about the proposed development. For those that connect, you will have the opportunity to hear a brief presentation about the development, ask questions, and/or make statements (if pre-registered with the Township Clerk) either in favour of, or in opposition to the development. No decisions are made at this meeting, it is simply an opportunity to learn and provide feedback.

Why is this Public Meeting being held and what are your rights?

Within Ontario the planning and development process is an open and transparent process, where opinions from all individuals and groups are welcomed. By law a municipality must hold a public meeting, and this meeting is just one of your chances to learn about the development proposal and offer your opinions. Under the legislation governing this development process, which is sections 34 and 51 of the *Planning Act*, you have the following rights:

1. Any persons may connect to the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed zoning by-law amendment or plan of subdivision (please pre-register with the Town Clerk in advance if you wish to speak at the meeting).
2. If a *person* or public body would otherwise have an ability to appeal the decisions of the Township of Southgate or the County of Grey to the Local Planning Appeal Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to Township of Southgate before the zoning by-law amendment is approved or refused, or to the County of Grey before the plan of subdivision is approved or refused, the person or public body is not entitled to appeal the decisions.
3. If a *person* or public body does not make oral submissions at a public meeting or make written submissions to the Township of Southgate before the zoning by-law amendment is approved or refused, or to the County of Grey before the plan of subdivision is approved or refused, the person or public body may not be added as a party to the hearing of an appeal before the Local Planning Appeal Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
4. If you wish to be notified of the decision by the Township of Southgate in respect to the approval or refusal of the zoning by-law amendment, or the County of Grey in respect to the approval or refusal of the plan of subdivision, you must make a written request to the Township or the County, at the addresses noted on the previous page. Please note application C1-20 for the zoning by-law amendment when directing comments to the Township and plan of subdivision application 42T-2019-04 when directing comments to the County.

5. If you have any questions please do not hesitate to contact County or Township staff, who would be happy to answer any questions on the matter.
