

# ATVs on County Roads

Grey County has some of Ontario's greatest off-road trails and terrain. On occasion, operators of all terrain vehicles and off-road vehicles (ATVs) need to travel on Grey County roads to connect with trails or reach their destination. Grey County's ATV by-law regulates when and where ATVs are permitted on county roads.

## Uses and restrictions

- ATVs are allowed on specified Grey County roads during daylight hours (30 minutes before sunrise to 30 minutes after sunset), April 15 to November 17.
- ATVs must be licensed and insured.
- Operators must abide by all other laws, including the *Highway Traffic Act* and *Off-Road Vehicles Act*.

Violations of the ATV By-Law may result in a fine.

## What County roads can I drive on?

For the safety of all ATV operators and other road users, not all County roads permit ATVs. ATVs are permitted on all County Roads **except** those listed on the following chart. See the map for more details.

For details about local municipal roads, please contact your municipality.
