RE: Proposed Gravel Pit  
Bumstead Pit  
Chatsworth, ON

---

The Ministry of Transportation (MTO) has completed its review of the above noted proposed gravel pit. The application has been considered and reviewed in accordance with the requirements of our highway access policies, criteria, and the *Public Transportation and Highway Improvement Act*. The following outlines our comments, requirements, and conditions of approval.

The proposed gravel pit is approximately three kilometers from Highway 10 and is outside of the MTO permit control area and jurisdiction.

MTO has reviewed the traffic impact study and concluded that the expected volumes will not result in operational issues at the intersection. MTO will continue to monitor the traffic operations at this intersection.

Should you have any questions, please contact our office.

Yours truly,

A handwritten signature in black ink, appearing to read "Zsolt Katzirz".
