## 1.0 Introduction

The County of Grey is a family of nine distinctive municipalities. Grey County values its heritage, natural beauty, clean, healthy environment and rural lifestyle. As the fourth largest county in Ontario, Grey covers an area of 4,513 square kilometres. Grey County has a stable resident population estimated at more than 93,800 (2014) and a workforce of 52,600 people. Grey County has a diverse economy with strengths in several sectors including agriculture, manufacturing, health care and tourism. Employing approximately 750 people, the Corporation of the County of Grey is dedicated to managed, sustainable growth while also offering agricultural and rural simplicity and big city activities.

FIGURE 1: GREY COUNTY LOCATION MAP

## 2.0 Location

Grey County is located 160 kilometers northwest of Toronto, where the Niagara Escarpment meets the shores of Georgian Bay and is home to the Owen Sound harbour, Beaver Valley and Blue Mountain along its northern shoreline, and rolling farmland, rich aggregate deposits and a myriad of rivers in its southern extent. Grey County is strategically located within 250 kilometers of major Canadian markets of Hamilton, Toronto, London and Kitchener. Grey County maintains an efficient county road system of 870 kilometres. Highway 26 connects the area east to Barrie and highway 400, highway 10 connects the County south to highway 410 and the Greater Toronto Area. Highway 6 connects the area to Guelph and Kitchener. The area is served by United States border crossings at Detroit, Buffalo and Niagara Falls. See page 79 for a detailed map of Grey County Municipalities.

**Household Income:** Refers to a person or a group of persons (other than foreign residents) who occupy the same dwelling and do not have a usual place of residence elsewhere in Canada. It may consist of a family group (census family) with or without other persons, of two or more families sharing a dwelling, of a group of unrelated persons, or of one person living alone. Household members who are temporarily absent on May 10, 2011 (e.g., temporarily residing elsewhere) are considered as part of their usual household. Every person is a member of one and only one household. Unless otherwise specified, all data in household reports are for private households only.

Table 9 indicates that, in 2014, families residing in Grey County earned a lower median and average family income compared to Ontario.

**Table 9: Economic Family Income Levels, 2014**

## 7.0 Labour Force and Employment

### 7.1 Key Indicators

Grey County is home to a labour force over 52,860 persons strong. As illustrated in Table 11, the community's labour participation and employment rate are both lower than the Ontario figures. The unemployment rate is also lower than the province.

**Table 11: Labour Force Characteristics, 2015<sup>3</sup>**

## 8.0 Labour Force by Occupation

Figure 4 and Table 12 illustrate Grey County's labour force make-up by occupation:

- Sales and service occupations represent the largest occupational group in Grey County at 23%.
- Trades, transport and equipment operators and related occupation is also substantial at 13%.

**Figure 4: Labour Force by Occupation<sup>4</sup>, 2015**

## 10. Place of Work

Tables 14 and 15 provide information on persons reporting a “usual place of work other than in their home or outside of Canada”, and reveal the following regarding labour force commuting:

- The majority of the Grey County resident labour force who worked outside of Grey County commuted to work in Town of Collingwood, the Municipality of Brockton and the Town of South Bruce Peninsula.
- The largest number of non-resident labour force commuting to work in Grey County travelled from the Town of Collingwood, Municipality of Brockton and Town of South Bruce Peninsula.
- 19.1% of workers living in Grey County had a usual place of work outside of Grey County.
- 17.2% of workers declaring a usual place of work in Grey County lived outside of Grey County.

<p>*Delivery rates are effective as of January 1, 2015 but are not implemented until May 1, 2015. To account for this a charge has been added to the distribution service charge. This Charge will be for a period of 8 months from May 1 – December 31, 2015. For residential customers with an urban high density this adjustment is a credit.</p> <p>**An adjustment for line losses is included under the Delivery line for most customers. Customers enrolled with an electricity retailer or paying the spot market price will have this adjustment included under the Electricity line. It is calculated as follows: (adjustment us in kWh x (RPP price/ spot price/retail contract price)) – (metered use in kWh XRPP prices/spot price/retail contract price)) = line loss adjustment</p> <p>***This charge will be collected on behalf of the IESO until October 31, 2018</p>

## 20.0 Gas

### **Service Provider: Union Gas**

Service area: West Grey, Meaford, Hanover, Grey Highlands, Georgian Bluffs, Chatsworth, The Blue Mountains

Phone: 1-877-969-0999

Web: uniongas.com

Union Gas Limited is a major Canadian natural gas utility that provides energy delivery and related services to about 1.3 million residential, commercial and industrial customers in over 400 communities in northern, southwestern and eastern Ontario. Union Gas has assets of approximately \$4 billion and employs about 2,200 people. Union Gas is a Spectra Energy Company.

Union Gas distribution service area extends throughout northern Ontario from the Manitoba border to the North Bay/Muskoka area, through southwestern Ontario from Windsor to just west of Toronto, and across eastern Ontario from Port Hope to Cornwall. Union Gas also provides natural gas storage and transportation services for other utilities and energy market participants in Ontario, Quebec and the United States. Union Gas' storage and transmission system forms an important link in the movement of natural gas from Western Canadian and U.S. supply basins to central Canadian and Northeast U.S. markets.

3.8.1 Notwithstanding any other provision of this by-law, no development charge is payable with respect to an enlargement of the gross floor area of an existing industrial building where the gross floor area is enlarged by 50 percent or less.

3.8.2 If the gross floor area of an existing industrial building is enlarged by greater than 50 percent, the amount of the development charge payable in respect of the enlargement is the amount of the development charge that would otherwise be payable, multiplied by the fraction determined as follows:

- 1) determine the amount by which the enlargement exceeds 50 percent of the gross floor area before the enlargement;
- 2) divide the amount determined under subsection 1) by the amount of the enlargement.

3.9 For the purpose of section 3.8 herein, “existing industrial building” is used as defined in the Regulation made pursuant to the Act.

## 25.0 Quality of Life

Grey County is physically defined by the contours of Georgian Bay shoreline to the north, Georgian Bay and the Niagara Escarpment that runs through the region.

Built on a solid agricultural base, the County's municipalities are anchored by urban centres that provide recreation and shopping amenities. From Hanover, Owen Sound, The Blue Mountains and all points in between, the communities are industrious, prosperous and offer a quality of life matched by few other places in Ontario. Grey offers a picturesque place to start or expand a business, raise a family and contribute to a community.
