'APPS FOR AG' COMPETITION

Apps for Ag Tech Competition

During the lead-up to the Ag 4.0 Summit and Innovation Tour, Grey County is pleased to invite interested individuals and teams to participate in its first ever 'Apps for Ag' Tech Competition. \$1000 in prize money is available and expert mentors from AgNition (Guelph), Incubator North/Palmer Andersen (Thornbury), and Georgian College will be working with participants and evaluating submissions. The winning products will be announced at the Ag 4.0 Summit on November 2, 2016 at Meaford Hall.

The competition timelines are as follows:

- October 1: Hackathon/Workshop at Georgian College, Owen Sound
- October 21: Project outlines due via Eventbrite
- October 26: Product/project pitches to expert mentors (Barrie/Owen Sound)
- November 2: Top four submissions invited to workshop at Ag 4.0 Summit
- November 2: Results announced
- December 8: Winning projects featured at Georgian College's Innovation Showcase

'APPS FOR AG' COMPETITION

Hackathon/Field Trip: October 1, 2016

Schedule

8:00am	Georgian College Students Leave Barrie
9:30am	GC (Barrie) Students Tour T&K Ferri Orchard
11:00am*	Hackathon/Workshop Day Starts – Georgian College, Owen Sound (tentative tour of Marine Simulator)
12pm-3:30pm	Workshop producer challenges: <ul style="list-style-type: none">• Five Grey County producers have provided challenges that could be addressed using a small technological intervention• As a group, participants will work through rapid fire ideation for solving challenges provided and any additional challenges (as observed during orchard tour, prior experience, etc)
4pm	Georgian College Students Leave Owen Sound for Barrie

*Light lunch will be provided.

Thank you to our partners at Georgian College – Owen Sound for graciously providing space for the Hackathon, and to Sara Bentham (Program Coordinator - Henry Bernick Entrepreneurship Centre, Georgian College) and Ross Bigelow (Program Coordinator – Computer Science, Georgian College) for their tremendous support in organizing the event and bringing students from Barrie to Owen Sound. Thank you to T&K Ferri Orchards for the tour of their orchard.
