WAR TAXES

On April 15, 1915, the Special War Revenue Act became effective as follows:

WAR STAMP TAX ON LETTERS AND POST CARDS

A "War Tax" 1c. Stamp, in addition to the ordinary postage, must be affixed to each letter and post card mailed in Canada, for delivery in Canada, the United States, and Mexico; also on letters and post cards mailed in Canada for the United Kingdom and British possessions, or wherever the two-cent rate applies.

Failure on the part of the sender of a letter or post card to comply with the above, such letter or post card will be sent to the dead letter office.

Wherever possible and procurable, stamps on which the words "War Tax" have been printed should be used for prepayment of the "War Tax," but should ordinary postage stamps be used for the purpose they will be accepted.

The "War Tax" Stamp should be affixed to the upper right-hand portion of the envelope or post card. Circulars, catalogues, newspapers, and parcels are not subject to the "War Tax."

WAR STAMP TAX ON CHEQUES, SAVINGS DEPARTMENT RECEIPTS, BILLS OF EXCHANGE, PROMISSORY NOTES, ETC.

Cheques issued on Current Accounts.

Receipts and Cheques issued on Savings Department Accounts.

Bills of Exchange and Promissory Notes delivered to a Bank must have a two-cent Stamp affixed.

The **Issuer** of a Cheque or Bank Receipt must affix the stamp before payment can be made.

WAR TAXES—*Continued*

The person who delivers a Bill of Exchange or Promissory Note to a bank must affix a stamp before delivery.

Telegrams and Cables. A "War Tax" of one-cent is to be paid on all Telegrams or Cables.

Express and Money Orders. A "War Tax" of two-cents is to be paid on all Express and Money Orders.

Postal Notes. A "War Tax" of one-cent is to be paid on all Postal Notes.

The Special War Revenue Act also covers Railway, Steamship and Ocean Tickets; Sleeping Car and Parlor Car Tickets; Proprietary or Patent Medicines; Perfumes and Wines.

As the Tax on the above list varies according to the amount involved it is impossible for us to print the clause in detail. All items mentioned are, however, subject to a tax and the purchaser is liable for same.

CUSTOMS TARIFF EXTRA DUTY

On February 12th, 1915, under the Special War Revenue Act the following additional duties were imposed:—

Goods manufactured in Great Britain and imported under the Preferential Tariff subject to 5% in addition to present rate.

All other goods imported from all other countries under the General Tariff 7½% in addition to present rate. This extra duty applies to all imports, except certain articles as enumerated. It is impossible for us to print complete tariff here, reference should be made to special article shown in Customs lists.

Rates of Postage (See War Tax)

Eclipses, 1916

In the year 1915 there will be five eclipses, three of the Sun and two of the Moon.

I. A partial eclipse of the Moon, Jan. 20th. The Moon enters the shadow 2h. 55m. a.m. Middle of the eclipse, 3h. 40m. Moon leaves the shadow 4h. 24m. a.m. Magnitude, 0'137. Eastern standard time.

II. A total eclipse of the Sun, Feb. 3d, visible in Canada as a partial eclipse. The eclipse begins in Toronto at 10h. 19m. a.m. Middle of eclipse, 11h. 17m., end of eclipse, 0h. 15m. p.m. Eastern standard time. The greatest obscuration, 0'291. At Halifax the eclipse begins 11h. 38m. a.m., middle, 0h. 46m. p.m., end of eclipse, 1h. 53m. p.m. Atlantic standard time—magnitude equals 0'456. The eclipse begins in Winnipeg 9h. 19m. a.m., middle, 9h. 56m. a.m., end of eclipse, 10h. 33m. a.m. Central standard time. Magnitude 0'132. The path of totality will pass through Columbia and Venezuela in South America, and then passing across the Atlantic in a north easterly direction will end just before reaching the coast of England.

III. A partial eclipse of the Moon July 14th, visible in Canada, except the Western portion. The Moon enters the shadow 10h. 19m. p.m., middle, 11h. 46m. Moon leaves the shadow, July 15th, 1h. 13m. a.m., Eastern standard time. Magnitude, 0'800.

IV. An annular eclipse of the Sun, July 29th, invisible in America. The central line passes through South Western Australia.

V. A partial eclipse of the Sun, Dec. 24th, invisible in Canada. It will be very small, only 0'011 in magnitude.
