Additional Information to Support Submission**

Further to our meeting on February 24th, 2017 with you, Brian Worsley and Michael Benner, please find attached additional information to support our Redline Revision Application. The following items are attached:

- 3 copies of the Revised Redline Plan
- 3 copies of the Functional Servicing Brief prepared by Tatham & Associates
- 3 copies of the Assessment of Environmental Implications prepared by Orion Environmental Services.

With the submission of this information we are hoping to schedule our public meeting date in the near future prior to the TOBM council summer holidays.

Should you have any questions or require any additional information please feel free to contact me directly.

Yours truly,
